## Invitation to the international mental arithmetic Olympiad by AMAkids

Esteemed **OLIMBOEV MUSTAFO OBID UGLI** Birth of date: **07.11.2015** Passport No: **FB1743128**

On behalf of the Organizing Committee of AMAkids World cup 2026, it is our distinct honor and pleasure to extend to you this invitation to participate in the International competition in mathematics, mental arithmetic and English language. An academic event dedicated to excellence, intellectual exchange, and international coworking. This competition aims to bring together talented students and educators from diverse nations in a spirit of mutual respect, cultural understanding, and scholarly achievement. Through thoughtfully designed challenges the event seeks to foster analytical thinking, linguistic proficiency and intellectual abilities among participants.

### EVENT DETAILS

**Date of the contest: 11th of April 2026, 10:00 AM**

Location: CUM - Mediterranean University Center Nice, Nice, France

Followed by an **award ceremony on the 12th of April 2026**

Location: CUM - Mediterranean University Center Nice, Nice, France

The competition will be conducted with the highest international standards of academic integrity, fairness, and professionalism. Participants will have the opportunity not only to demonstrate their knowledge and skills, but also to engage with peers from different cultural and educational backgrounds.

We would be deeply honored by your institution's participation in this event. Your presence would greatly contribute to the international character and academic prestige of the competition.

Please accept, the assurances of our highest consideration and respect.

Sincerely,

General director AMAkids  
France and Belgium  
Saiyeva Petimat  
Nice, France

## Invitation to the international mental arithmetic Olympiad by AMAkids

Esteemed **KAMBAROV KAMARIDDIN ALISHER UGLI** Birth of date: **04.05.2004** Passport No: **FA8843557**  
On behalf of the Organizing Committee of AMAkids World cup 2026, it is our distinct honor and pleasure to extend to you this invitation to participate in the International competition in mathematics, mental arithmetic and English language. An academic event dedicated to excellence, intellectual exchange, and international coworking. This competition aims to bring together talented students and educators from diverse nations in a spirit of mutual respect, cultural understanding, and scholarly achievement. Through thoughtfully designed challenges the event seeks to foster analytical thinking, linguistic proficiency and intellectual abilities among participants.

### EVENT DETAILS

**Date of the contest: 11th of April 2026, 10:00 AM**

Location: CUM - Mediterranean University Center Nice, Nice, France

Followed by an **award ceremony on the 12th of April 2026**

Location: CUM - Mediterranean University Center Nice, Nice, France

The competition will be conducted with the highest international standards of academic integrity, fairness, and professionalism. Participants will have the opportunity not only to demonstrate their knowledge and skills, but also to engage with peers from different cultural and educational backgrounds. We would be deeply honored by your institution's participation in this event. Your presence would greatly contribute to the international character and academic prestige of the competition.

Please accept, the assurances of our highest consideration and respect.

Sincerely,

General director AMAkids  
France and Belgium  
Saiyeva Petimat  
Nice, France
